# Loïs KOUNINEF

## Web Developer

After about fifteen years working in hotel and catering, I found myself passionate about programming in general and web development in particular. I have an appetite for Clean Code principles and best practices, and I care about producing good code, readable and maintainable.

## Relevant Experiences

### ○ **Online book club** *Work in progress*

*NestJS, Angular, PostgreSQL, GraphQL*

Test-Driven Development ;  
Approach of Clean Code and Clean Architecture principles application ;  
Scrapping to get covers of user's registered books ;  
Books suggestion according to books liked, created and commented.

### ○ **Online ordering fresh produce from the producer**

*NestJS, Angular, PostgreSQL*

Relational database structure design ;  
API documentation with Swagger ;  
Using guards & custom decorators for routes protection ;  
Authentication with cookie (passport-session) ;  
Using handlebars to send dynamic emails.

### ○ **Browser games sharing platform** *School project*

*Ruby On Rails, React, PostgreSQL*

API key generation to link a game to the app and allow scores upload ;  
Authentication with JWT ;  
Carrousel with recent registered games' images ;  
Using modal windows, multiple themes available (appearance).

### ○ **Sports newspaper website** *School project*

*Ruby On Rails, PostgreSQL*

Relational database structure design (normalisation) ;  
Polymorphic relations for comments, nested comments ;  
Authentication with Devise, three subscription packages with Stripe API ;  
Using CRON jobs for a weekly newsletter.

### ○ **Portfolio**

*VueJs*

CSS / JS animations, light and dark theme, french and english content (vuei18n) ;  
Responsive design, Base64 image encoding for projects display ;  
PDF integration for resume, deployment script.

## Education

### Web Developer

The Hacking Project, *peer-learning based pedagogy* | 2022

French State Certification RNCP 34779 - *With high honours*

### Social worker

Ecole Santé-Social Sud-Est, Lyon | 2014 - 2017

French State Certification RNCP 2517

### Litterature Baccalaureate

Lycée A. de St-Exupéry, Lyon | 2005 - *With honours*
